1 Who can buy a contract and who can be insured

2 conditions for buying a contract

To buy a Select Accurance contract, you must be:

- At least 18 years old
- A **Canadian resident** on the contract start date

As the person buying the Select Accurance contract, you're the **contract holder** (the person who **owns the contract**).

Who is a Canadian resident?

A Canadian resident is a person who is legally authorized to reside in Canada and lives there at least 6 months a year.

Who you can insure

Under your contract, you can insure:

- Yourself (or not)
- Family members, as long as they're:
 - At least 15 days old, and
 - **Canadian residents** on the date their coverage starts

Automatic coverage for children born

We automatically insure any children born while your contract is in force if they're your child or your grandchild, or the child or grandchild of: Your spouse, an insured person or an insured person's spouse.

As long as they're a **Canadian resident**, the child is insured free of charge, from when they turn 15 days old until your contract's next annual renewal. The child will remain insured afterwards if you add them to your contract.

2 To buy a contract

Call us at **1-877-888-4873**.

You won't have to answer any health questions about you or the people you want to insure.

3 What we consider to be an accident

When Desjardins Insurance determines whether an amount is payable under your coverage, the word **accident** means:

Accident

A sudden and unforeseen event that:

- Is exclusively the result of an external cause
- Is independent of any illness or other causes, and
- Leads to bodily injury or death

The injury or death must be confirmed by a doctor and must be directly and solely the result of the accident.

Since the accident has to be independent of any illness or other causes, we don't consider an injury or death **resulting from an illness** to be accidental.

 This summary only provides an overview of the coverages

For more details, you need to read the sections of the Select Accirance Policy that describe the coverages. We sent you the policy with this summary. It's also available online at: www.desjardins.com/accirance.

The **multiple contract limitation** applies to all the coverages.

5.1 General exclusions (see section 12 of the Select Accirance Policy for a full list)

At any time, regardless of the number or types of in-force Accurance contracts you're insured under, you may only be entitled to a payment under 2 of these contracts. Desjardins Insurance will determine the amount or amounts payable based on the 2 contracts that benefit you most.

6 Cost of your insurance

The premium is the amount you have to pay to benefit from the coverage provided under your contract.

Your premium varies depending on:

- How old each insured person is on the date the contract enters into force or on subsequent contract renewal dates
- The sex of each insured person
- The payment frequency you've selected (monthly or annual)

Here are the premiums that apply per insured person:

Premiums

We can change these premiums at any time.

8.4 Who we'll pay amounts to

8.5 Division of expense reimbursements

If you make a claim for expenses that are also covered by one or more other insurance contracts or plans (private or public), Desjardins Insurance is the "last payer." In other words, we'll only reimburse the portion of expenses that aren't reimbursable under these other insurance contracts or plans.

However, if these other insurance contracts or plans also state that they're the last payer or if they include a coordination clause, the reimbursement will be divided between these insurance contracts or plans and your Select Accurance contract, based on the amounts that should have been paid by each.

To find out more about the claims process, see section 16 of the Select Accurance Policy we sent you with this summary. The policy is also available online at: www.desjardins.com/accurance.

The purpose of this fact sheet is to inform you of your rights.
It does not relieve the insurer or the distributor of their obligations to you.

LET'S TALK INSURANCE!

Name of distributor: _____

Name of insurer: _____

Name of insurance product: _____

IT'S YOUR CHOICE

You are never required to purchase insurance:

- that is offered by your distributor;
- from a person who is assigned to you; or
- to obtain a better interest rate or any other benefit.

Even if you are required to be insured, **you do not have to** purchase the insurance that is being offered. **You can choose** your insurance product and your insurer.

HOW TO CHOOSE

To choose the insurance product that's right for you, we recommend that you read the summary that describes the insurance product and that must be provided to you.

DISTRIBUTOR REMUNERATION

A portion of the amount you pay for the insurance will be paid to the distributor as remuneration. The distributor **must** tell you when the remuneration exceeds 30% of that amount.

RIGHT TO CANCEL

The Act allows you to rescind an insurance contract, **at no cost**, within 10 days after the purchase of your insurance. However, the insurer may grant you a longer period of time. After that time, fees may apply if you cancel the insurance. **Ask** your distributor about the period of time granted to cancel it **at no cost**.

If the cost of the insurance is added to the financing amount and you cancel the insurance, your monthly financing payments might not change. Instead, the refund could be used **to shorten the financing period**. **Ask your distributor for details**.

Desjardins Insurance considers your spouse or an insured person's spouse to be the person who:

- Is married to or living in a civil union with you or the insured person, or
- Can prove that they've been living in a conjugal relationship with you or the insured person for at least 12 months, or
- Can prove that they've been living in a conjugal relationship with you or the insured person and that they had a child with you or the insured person

This person must not be separated from you or the insured person for 90 days or more as a result of a breakdown in the relationship.

You'll find the names of the persons insured under your contract in the Confirmation of Insurance we send you.

Automatic coverage for children born

We automatically insure any children born while your contract is in force if they're your child or grandchild, or the child or grandchild of:

- Your spouse
- Any insured person or their spouse

As long as they're a **Canadian resident**, the child is insured free of charge, from when they turn 15 days old until your contract's next annual renewal.

For the child to remain insured

You need to add them under your contract before the annual renewal following their birth, by calling us at **1-877-270-7721**.

After this renewal, the child will remain insured if:

- Their name is indicated in the most recent Confirmation of Insurance, and
- You pay their premium (the cost of their insurance)

What we consider to be an accident

When Desjardins Insurance determines whether an amount is payable under your coverage, the words **accident** and **doctor** mean:

Accident	<p>A sudden and unforeseen event that:</p> <ul style="list-style-type: none"> • Is exclusively the result of an external cause • Is independent of any illness or other causes, and • Leads to bodily injury or death <p>The injury or death must be confirmed by a doctor and must be directly and solely the result of the accident.</p>
Doctor	<p>Any person, other than the insured person, who:</p> <ul style="list-style-type: none"> • Is legally licensed to practise medicine • Doesn't live with the insured person or the contract holder (the person who owns the contract).

Since the accident has to be independent of any illness or other causes, we don't consider an injury or death **resulting from an illness** to be accidental.

For example, we won't pay any amount if:

- You fall and injure yourself because of an epileptic seizure
- You die because you had a heart attack while driving and lost control of your vehicle

4

Fracture, dismemberment, loss of use, coma or death coverage

4.1 Amounts payable under this coverage

You're insured under this coverage if, as a result of an **accident**, you experience one or more of the following consequences: Fracture, dismemberment, loss of use, coma or death.

You'll find the amounts payable under the insurance for these consequences in the **Amounts payable for the consequences of an accident** table on page 8. The amounts payable vary depending on how old you are on the date of the accident. The following maximums also apply:

Maximum amount payable if you experience more than one consequence as a result of the accident without dying

If you experience more than one of the consequences indicated in the table, we only pay **the highest applicable amount**.

Also, if you experience 2 or more consequences entitling you to the same highest amount (for example, you break 2 ribs), we only pay this amount to you once.

Maximum amount payable if you die as a result of the accident

We only pay the applicable amount in case of death if you die within a year of the accident—even if you've experienced other consequences.

Amounts payable for the consequences of an accident

 If you experience **more than one consequence** without dying, we only pay **the highest applicable amount**. If you're entitled to the same highest applicable amount for 2 or more consequences, we only pay the amount once.

Any other accidental death	\$40,000	\$100,000	\$50,000

Examples of what we pay depending on the consequences you experience

1. Multiple fractures (no other consequences)

Liam, aged 27, fractured his right femur and pelvis in a car accident. He didn't suffer any other injuries. Based on the table, the applicable amounts for someone who fractured these bones and was Liam's age when the accident happened are:

- Fracture of the femur: \$1,000
- Fracture of the pelvis: \$3,500

We pay Liam **\$3,500**, which is the applicable amount for the fracture entitling him to the highest amount.

2. Fractures of the same type (no other consequences)

Tanisha, aged 32, broke 2 ribs in an accident. She didn't suffer any other injuries. Based on the table, the applicable amount for someone who suffered these injuries and was Tanisha's age when the accident happened is:

- Fracture of a rib: \$1,000

You'll notice that even though Tanisha broke 2 ribs, we only pay the amount once. So, she'll receive a total of **\$1,000**.

3. Dismemberment of 3 fingers (no other consequences)

Greg, aged 54, lost 3 fingers in an accident. He didn't suffer any other injuries. Based on the table, the applicable amount for someone who suffered these injuries and was Greg's age when the accident happened is:

- Dismemberment of a finger (per finger): \$5,000

Since the applicable amount is multiplied by the number of fingers lost, Greg will receive **\$15,000**.

4. Fracture with loss of use

Michaela, aged 78, suffered a skull fracture and lost her sight in one eye in an accident.

Based on the table, the applicable amounts for someone who suffered these injuries and was Michaela's age when the accident happened are:

- Skull fracture: \$1,750
- Loss of sight in one eye: \$37,500

We only pay **\$37,500**, which is the amount payable for the loss of sight in one eye, because it's the higher of the 2 applicable amounts payable.

5. Fracture and dismemberment followed by death

Kamir, aged 62, had a really bad accident at work. He lost an arm and broke his hip. Sadly, he died from his injuries a month after the accident.

Based on the table, the applicable amounts for the consequences of the accident for someone who was Kamir's age when the accident happened are:

- Hip fracture: \$3,500
- Dismemberment of one arm: \$250,000
- Death not related to an accident that occurred while on board a common carrier vehicle: \$100,000

We only pay **\$100,000**, which is the amount payable in case of death.

Death claims

4.3 Other maximum amounts payable and exclusions

Maximum amount payable under the coverage

- The maximum amount payable is limited to \$500,000 per insured person, per accident.
- However, if the insured person dies as a result of an accident that occurred while they were a paying passenger on board a common carrier vehicle, the maximum amount payable is limited to \$1,000,000 per insured person, per accident.

Maximum amount payable in case of death of multiple paying passengers on board the same common carrier vehicle

If the same accident involving a common carrier vehicle leads to the deaths of:

- More than 2 insured persons covered under the same Select Accurance contract, the amount we pay for all of these people is limited to \$2,000,000
- Several people covered under multiple Select Accurance contracts, the amount we pay for all these people is limited to \$10,000,000

If this happens, we proportionately reduce the amount we pay for each person.

Example

If 4 people covered under the same Select Accurance contract die as a result of an accident that occurred while they were paying passengers on board a plane, we'd pay \$500,000 per person, which is the \$2,000,000 maximum divided by 4.

Not all comas are covered

We won't pay any amount for medically induced comas, comas which result from alcohol or drug abuse, or for diagnoses of brain death.

If the dismemberment, loss of use or death occurs more than a year after the accident

We won't pay any amount for a dismemberment, loss of use or death that occurs more than a year after the accident.

That said, this exclusion doesn't apply if the insured person is in a coma at the end of the one-year period following the accident. In this case, Desjardins Insurance will determine the amount payable, if applicable, at the end of the coma.

You should read section 12 on **pages 17 and 18**—it contains important information about the **general exclusions** and the **multiple contract limitation** that may also apply.

The **general exclusions** are situations in which we won't pay any amount. They apply to the coverages in case of an accident, which are:

- Fracture, dismemberment, loss of use, coma or death coverage
- Paramedical and medical coverage
- Transportation and accommodation coverage

- b) If the injury or death is due to an illness or infection contracted accidentally
- c) If the accident, injury or death is due to treatment, surgery, anesthesia, medical error or any other complication or event resulting from them
For the purposes of this exclusion, Desjardins Insurance uses the word "treatment" to refer to any method used to fight a disease and attempt to cure it.
- d) If the accident, injury or death results directly or indirectly from an intentionally self-inflicted injury, attempted suicide or suicide
- e) If the accident is the result of a war, declared or not, a riot, a revolution or an act of terrorism

12.2 Multiple contract limitation

At any time, regardless of the number or types of in-force Accurance contracts you're insured under, you may only be entitled to a payment under 2 of these contracts. Desjardins Insurance will determine the amount or amounts payable based on the 2 contracts that benefit you most.

Cost of your insurance

This section is for the contract holder (the person who owns the contract).

13.1 Your premium

The premium is the amount you have to pay to benefit from the coverage provided under your contract.

When you buy your contract, you authorize us to debit your regular premium from a chequing account at a Canadian financial institution or a credit card account.

13.2 How we calculate your premium

Your premium varies depending on:

- How old each insured person is on the date the contract enters into force or on subsequent contract renewal dates
- The sex of each insured person
- The payment frequency you've selected (monthly or annual)

Here are the premiums that apply per insured person:

Premiums		
Insured person	Premium based on payment frequency selected	
	Monthly	Annual
Child aged 0 to 17 inclusive	\$5.95	\$71.40
Female aged 18 or older	\$6.95	\$83.40
Male aged 18 or older	\$9.95	\$119.40

Also, when you purchase your contract, we may give you a temporary discount on your premium as part of a promotion.

See your most recent **Confirmation of Insurance** for the premium you need to pay.

If you add someone under your contract between 2 renewals, we'll calculate the premium for this person based on how old they are on their coverage start date.

13.3 Your premium can change over time

Change in an insured person's age or end of a discount

If you've insured children aged 15 days to age 17 inclusive, your premium will increase at each renewal when any of them turn 18. Your premium can also go up when a discount ends.

However, your premium won't change:

- For fracture, dismemberment, loss of use, coma or death coverage, because the amounts payable depend on how old the insured person is when the accident happens
- For the child's natural death coverage, because no amount is payable if the child is 25 or older

Desjardins Insurance may review premiums based on age and sex

At any time, we may change the premiums based on the age and sex of the insured persons. If we do, we'll indicate your new premiums in the Confirmation of Insurance we send you before the first renewal after the change. The new premiums will apply to your contract as of that renewal.

13.4 When your premiums are due

We'll collect your first premium shortly after you buy your contract.

Afterwards, your premiums will be payable based on the payment frequency you've selected. If a premium isn't paid on time, we'll send you a written notice. You'll then have **30 days** from the date of this notice to pay your premium. Your contract will remain in force during this period.

14

Start, renewal and end of your contract

This section is for the contract holder (the person who owns the contract).

14.1 Start of your contract and coverage

Your contract and the coverage of the people you initially choose to insure will start on the day after you buy the contract.

14.2 Contract period and renewal

Your contract will be in force for one year. It will be renewed automatically at the end of each one-year period, as long as you pay your premium. You'll find the dates on which the one-year coverage period starts and ends in your Confirmation of Insurance.

We'll send you a renewal notice 45 days before each contract renewal. This notice will be your new Confirmation of Insurance. Unless we hear otherwise from you, we'll renew your contract based on the payment terms and conditions that applied when your contract started or at the most recent renewal.

14.3 End of your contract

You can end your contract at any time

There are 3 ways you can end your contract:

- Call us at **1-877-270-7721** during business hours
- Send an email to desjardinscontactscenter@dfs.ca
- Send written notice to:
Desjardins Insurance
200 rue des Commandeurs
Lévis QC G6V 6R2

If you want to send us written notice, you can use the Notice of Cancellation of an Insurance Contract you were given with this policy.

If you end your contract within 30 days of receiving it

We'll consider your contract to have never started.

We'll refund any premiums you've paid, as long as you haven't made any claims.

If you end your contract more than 30 days after receiving it

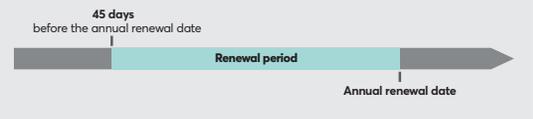

- **If you end your contract during a **renewal period****
Your contract will end when the current one-year coverage period is over.
We won't refund any premiums.
- **If you end your contract at any time other than during a **renewal period****

Your contract will end the day after you phone to let us know or the day after Desjardins Insurance receives your email or written notice.

We'll refund the portion of your premium (in days) that you overpaid.

What's a renewal period?

Each renewal period starts 45 days before your contract's annual renewal date and ends on the annual renewal date.

We can end your contract

Your contract will end in the following cases:

If you miss a premium payment (other than the initial payment)

If this happens, your contract will end 30 days after the date of the written notice we send you to remind you to pay your premium, if you still haven't paid it.

If we receive a claim with fraudulent statements or omissions

(an omission is when you don't tell us something that you should)

We'll send you a letter to let you know that we're ending your contract for this reason. Your contract will end on the first day of the **insurance month** that follows the date of this letter.

We'll then refund the portion of the premium for the remaining days, if any.

If we decide to end all Select Accirance contracts

We'll need to end your contract at renewal and notify you in writing at least 30 days ahead of time.

If this happens, your contract will end when the current coverage period is over.

What's an insurance month?

Insurance months are based on the date your contract's one-year coverage period starts. So, if your coverage period starts on February 17, insurance months will start on the 17th of each month.

15

Making changes to your contract

This section is for the contract holder (the person who owns the contract).

15.1 You can make changes to your contract at any time

There are 3 ways you can make changes to your contract:

- Call us at **1-877-270-7721** during business hours
- Send an email to: desjardinscontactscenter@dfs.ca
- Send written notice to:

Desjardins Insurance
200 rue des Commandeurs
Lévis QC G6V 6R2

Adding or removing an insured person

- **If you make the request during a renewal period**
The change will apply as of the next renewal date.
- **If you make the request at any time other than during a renewal period**
The change will apply as of the day after you call or the day after Desjardins Insurance receives your email or written notice.

What's a renewal period?

Each renewal period starts 45 days before your contract's annual renewal date and ends on the annual renewal date.

We'll reduce or increase your premium:

- As of the date the change applies, and
- Based on the number of days left until we debit your next premium.

If your premium goes up, you'll need to pay the increase for the change to apply.

Other changes

The change applies as of the date you call or the date Desjardins Insurance receives your email or written request.

Other changes include naming or changing beneficiaries and changing your premium payment frequency or method.

15.2 We can make changes to your contract

At renewal, we can make changes to your contract, as long as we make the same changes to all Select Accurance contracts. If we do make changes, we need to notify you in writing 30 days ahead of time.

We'll consider you to have accepted the changes 30 days after having received the notice we send you.

The changes apply as of your contract's renewal date.

16 Claims

16.1 Who can submit a claim

Claims must be submitted by the contract holder. If this person is deceased, any other adult who claims to be entitled to the payment can submit the claim.

16.2 How to submit a claim

Documents you need to provide

For **life or dismemberment or loss of use** claims: You need to call us at **1-877-838-5423**. We'll send you the claim forms you have to complete and let you know what other documents you need to provide.

For all other claims: You can use the claim form you received with this policy.

If you don't have the form, you can get a copy by:

- Going to www.desjardins.com/accurance
- Calling us at **1-877-838-5423**

Where to send your claim

You'll then need to send the required documents to:

Desjardins Insurance
PO Box 520 Lévis Station
Lévis QC G6V 7E2

You can send some documents to us electronically

You can use this secure link to send us most of your documents:

www.desjardinslifeinsurance.com/send

If we ask you for original documents, you can't use the link—you have to mail them to us.

What we may ask you for

Once we've received your claim, we may ask you for any information, proof or document that we feel is necessary to assess your claim.

We may also ask for the insured person for whom you're making the claim to be examined by a doctor of our choosing.

16.3 Deadlines

You need to submit your claim within **30 days** following the date of the event that may give rise to a payment.

You need to provide any additional information, proof or documents we may ask for within **90 days** of the date of the letter in which we ask you for them.

If you don't meet these deadlines, we may accept your claim anyways, but you'll need to explain why you weren't able to. You'll have to send us all the information, proof and documents required within the year following the date of the event that may give rise to a payment.

16.4 Payment conditions

For a payment to be made, an event must occur while your contract is in force. We also use the conditions of your contract that apply when the event occurs to determine:

- If a person is insured or an amount is payable, and
- The payment amount, if applicable

16.5 We'll process your claim within 60 days

Once we've received all the documents we've asked for, we'll assess your claim.

If we approve your claim

We'll make a payment within **60 days** of receiving all the information, proof and documents we've asked for.

If we deny your claim or we only pay some of the amount claimed

We'll send you a letter explaining the reasons for our decision within **60 days** of receiving all the information, proof and documents we've asked for.

What happens if you provide inaccurate or incomplete information

We won't pay any amount if we receive a claim that includes false statements or omissions, whether fraudulent or not. An omission is when you don't tell us something that you should. If this happens, anyone who's received amounts to which they weren't entitled will have to pay them back to us, at an interest rate that Desjardins Insurance considers to be reasonable.

16.6 Who we'll pay amounts to

Keep in mind that the contract holder is the person who owns the contract.

Reimbursement of expenses incurred

We'll pay the amounts to the contract holder.

If an insured person dies

We'll pay the applicable amount to:

- a) The contract holder, if living, or
- b) The named beneficiary,* if living, or
- c) The insured person's legal heirs

* If you're the contract holder, you can name a beneficiary or beneficiaries by filling out the beneficiary designation form we give you. Beneficiary designations are valid for the duration of your contract. You can change a beneficiary at any time by notifying us in writing. We don't accept any responsibility regarding your choice of beneficiary.

For all other claims (amount payable for a fracture, etc.)

We'll pay the applicable amount:

- a) If the insured person is **under age 18** on the date of the payment, to:
 - The contract holder, if living, or
 - The insured person's guardian
- b) If the insured person is **age 18 or older** on the payment date, to:
 - The insured person

16.7 Currency

The amounts indicated in this policy are in Canadian dollars. For eligible expenses that are incurred outside Canada, we use the exchange rate in effect on the payment date.

16.8 Division of expense reimbursements

You can never be reimbursed for more than the expenses you've paid, even if you're covered under more than one insurance contract or plan.

If you make a claim for expenses that are also covered by one or more other insurance contracts or plans (private or public), Desjardins Insurance is the "last payer." In other words, we'll only reimburse the portion of expenses that aren't reimbursable under these other insurance contracts or plans.

However, if these other insurance contracts or plans also state that they're the last payer or if they include a coordination clause, the reimbursement will be divided between these insurance contracts or plans and your Select Accurance contract, based on the amounts that should have been paid by each.

16.9 Assignment of your rights of recourse in the event of a claim (right of subrogation)

In the event of a claim due to damage caused by a third party, you assign us your right to sue this third party and any other right that you may have against them. We'll exercise this recourse on your behalf and at our expense, up to an amount equal to what we paid you for the damage in question.

If you're not satisfied

17.1 If you're not satisfied with our claim decision

Asking for a review of your claim

If we deny your claim, you can send us additional information and ask us to review your claim.

Filing a complaint with our Dispute Resolution Officer

If you still aren't satisfied after we've reviewed your claim, you can file a complaint with our Dispute Resolution Officer. Their role is to evaluate whether we've followed proper practices and procedures when clients feel they haven't received the service they're entitled to.

18 Documents making up your insurance contract

This section is for the contract holder (the person who owns the contract).

What are these documents for?

These documents explain your rights and obligations. They form an agreement between 2 parties, you and us (Desjardins Insurance).

Policy and Confirmation of Insurance

The **policy** is a generic document that provides everything there is to know about Select Accurance—it's not personalized. In the **Confirmation of Insurance**, you'll find information that's specific to your contract, like the names of the insured persons, the coverage period, as well as your premium and the payment method you've selected.

Your contract may also include riders or appendices to amend or update the contract.

We'll send your policy and a Confirmation of Insurance to you after you buy your contract.

New Confirmation of Insurance at each renewal

We'll send you a notice 45 days before each contract renewal to confirm the conditions that will apply during the next coverage period. This notice is a new Confirmation of Insurance, which replaces the previous one.

New Confirmation of Insurance when you make changes to your contract

If you make changes to your contract, we'll send you a new Confirmation of Insurance, which replaces the previous one.

Insured persons and contract holder

The following persons are insured under your Select Accurance contract:

- Any person whose name appears on the most recent Confirmation of Insurance, as long as you've paid the premium for their coverage
- Any child who's automatically covered under the insurance (see section 1 for more details)

Since you're the contract holder, you're the person we'll send the Confirmations of Insurance to. Because the contract holder can change, the contract holder is always the person to whom we've sent the most recent Confirmation of Insurance.

Change of address or financial institution

You're responsible for notifying us of any changes to your address or to the financial institution where you do business for the payment of your premiums.

If you don't let us know about these changes and we're unable to collect your premium, we'll assume that you want to end your contract. If this is the case, your contract will end 30 days after the date on which we'll have sent you a premium reminder, if you still haven't paid your premium.

Authorization

You authorize us to use the information provided when you bought your contract to manage your file and remind you about renewals. You also authorize us to obtain your new contact information from other Desjardins components, as needed.

Collateral

You can't use your contract as collateral.
