Rest assured

Planning a trip? Our Travel Assistance service is **an essential part of your travel insurance, and it's available to you anywhere in the world, 24/7**. Anyone who is insured under our extended healthcare benefit and under government health and hospital insurance plans is covered, as long as their health is stable prior to their departure and the trip does not exceed the maximum period stipulated in the contract.

We're there for you

- 24-hour toll-free telephone assistance
- Referral to doctors or healthcare facilities
- Assistance with hospital admission
- Cash advances to the hospital when required
- Repatriation of the insured person to their city of residence as soon as their health permits
- Establishing and staying in contact with the insurer
- Arrangements in the event of death
- Repatriation of the insured person's children if the insured person cannot be moved
- Delivery of medical assistance and drugs to an insured person who is too far from healthcare facilities to be transported there
- Arrangements to bring a member of the immediate family to the insured person's bedside if the insured person has to be hospitalized for seven consecutive days or more* and the attending doctor orders the visit
- Help obtaining temporary papers so the insured person can resume their trip if their travel documents are lost or stolen
- Referral to a lawyer if legal problems arise
- Translation services for emergency calls
- Transmission of urgent messages to close friends or family in case of emergency
- Information prior to departure concerning passports, visas and vaccinations required in the country being visited (the Government of Canada's website, travel.gc.ca, also has useful advice and information, including travel advisories and warnings that you should check before you book your trip)

* Or as stipulated in your contract
