Investment Strategy

This fund, actively managed, aims to provide a high return derived primarily from interest income by investing primarily in high-quality securities of provincial governments and Canadian corporations having long-term maturities. The fund employs a fundamental investment approach targeting a consistent allocation of value added sources. The strategy seeks to add value through management of duration, yield curve and credit risk.

Notes

The underlying fund DGIA Canadian Long Term Bond Fund was launched in April 2018, however some of the strategies underlying this fund were launched earlier, in August 2011.
