Investment Objective

This fund targets an annualized return higher than that of the combined benchmarks below, over four-year moving periods.

Benchmark

70% FTSE Canada Universe Bond, 30% Bloomberg Barclays Multiverse Hedged

Investment Strategy

This fund is composed of a portfolio of actively managed underlying funds that aims to reconcile the implementation of responsible investing principles with the achievement of competitive financial performance, in the form of current income and some long-term capital appreciation. It invests in Canadian and foreign fixed income securities issued by government entities and corporations. The underlying funds bring to the forefront the integration of environmental, social and governance (ESG) factors into investment selection and management, in some cases through a focus on specific sustainable development approaches or objectives. Furthermore, the fund is subject to exclusion criteria related to tobacco, nuclear energy, weapons and fossil fuels.

Notes

The benchmark was last changed on October 1st, 2019.

The fund's composition was last changed on September 23rd, 2022 (replacement of several underlying funds by a single underlying fund created in May 2022).

The name of the fund was changed from "SocieTerra Fixed Income" to "Desjardins Sustainable Fixed Income" on April 30, 2024.

Disclosure The above data represents past performance returns, which is not indicative of future results. These are gross performance returns, calculated after the fund's operating expenses, but before investment fees. For more information, please contact Desjardins Insurance's Customer Contact Centre at 1-800-968-3587.
