

Guarantee Advantage[®]

Market-Linked Term Investments

GLOBAL DIVERSIFIED Basket

The **Global Diversified** basket is made up of securities from twenty companies operating in a variety of sectors and geographic regions. Its diversification helps offset the effects of market instability on its performance and allows you to grow your principal while minimizing its risk exposure.

Now you can give yourself peace of mind with the **Global Diversified** basket, because your investment's performance is based on securities that offer solid diversification, both in terms of sectors and geographic location.

Guarantee Advantage®

Market-Linked Term Investments

GLOBAL DIVERSIFIED Basket

Summary

Guarantee Advantage® is a market-linked term investment that, at maturity, provides you with 100% of the principal invested plus a rate of return that falls within a pre-determined range. This type of investment offers you a number of advantages:

- option to choose a return zone defined by a guaranteed minimum return and a potential maximum return
- no fees, making it a product that's simple to use and requires no management on your end
- potential for a higher return compared to a fixed-interest term investment
- principal that is 100% guaranteed in the event of death and paid quickly to the designated Beneficiary¹
- protection against currency-related risks
- risk-free access to securities of well-established companies whose brand names, products and services are widely known and used
- eligibility for registered savings plans, including TFSAs

Tracking returns
