Market-Linked Term Investments

GLOBAL FINANCIALS Basket

The **Global Financials** basket is made up of securities from 20 leading companies—from 8 countries on 3 continents – operating in the financial sector. Because these securities are geographically diverse and financially sound, they help offset the effect of market instability on performance and allow you to grow your principal while minimizing its risk exposure.

The **Global Financials** basket is therefore a reliable and secure investment opportunity with a return potential based on the growth of the top financial institutions in the world.

Guarantee Advantage®

Market-Linked Term Investments

GLOBAL FINANCIALS Basket

Summary

Guarantee Advantage® is a market-linked term investment that, at maturity, provides you with 100% of the principal invested plus a rate of return that falls within a pre-determined range. This type of investment offers you a number of advantages:

- option to choose a return zone defined by a guaranteed minimum return and a potential maximum return
- no fees, making it a product that's simple to use and requires no management on your end
- potential for a higher return compared to a fixed-interest term investment
- principal that is 100% guaranteed in the event of death and paid quickly to the designated Beneficiary¹
- protection against currency-related risks
- risk-free access to securities of well-established companies whose brand names, products and services are widely known and used
- eligibility for registered savings plans, including TFSAs
